President's Message - Linda Tucker

I am pleased to report that at our Membership Meeting on September 25th the 36 members in attendance approved the new membership fee of \$25 for next year.

Members also approved a motion from the floor to create a drop-in pass for guests of members. The Board will work out the procedural details.

At the meeting we referred to the new room which is being used for yoga and two of our line dancing classes by its new name, the Multi-Purpose Room.

I thank all the members who supported me at my first general membership meeting.
