Newsletter for November 2019

President's Message - Linda Tucker

CELEBRATION!! We have acquired a 3 year lease for the Yoga and Dance Studio. Thank you Alan Edie for making this possible.

We are looking for ideas for physical activities in this space - please send me your ideas.

I will be trying to get donations for a tile floor covering. I will visit some flooring companies in Campbell River to see if they would make a donation of material and labour. Any ideas or help with this project will be appreciated.

After ten years of helping to run the Center in various capacities, Bev Birce has decided to retire from her current role as Secretary at the end of the year. I will miss her wise advice as a member of the Board Executive. Bev is open to continuing to look after our rentals program and will definitely continue to teach the yoga class.

I would like to discuss the Secretary role with any member who might be interested in it. Bev will help with orientation over the next two months.

As directed by the members at the September membership meeting, a \$3 guest fee is now available to welcome a member's guest into that day's activity. As a general rule guests will be 50 years or better. The leader of each activity will look after the arrangements and may exercise discretion from time to time for a younger guest.

We are looking for people to volunteer for a shift or two as mentioned elsewhere in this newsletter. Remember the Seniors Centre operates with volunteers.
