Happy Summer to everyone. Things here are ongoing...

Glad to have more people volunteering and bringing in new ideas. By the way, we need more front desk volunteers. Please talk to me if you're interested.

Some of our programs are on hold for the summer. Please check the **Monthly Activities Calendar** for details.

Just a reminder... playing the **BC 50/50 Seniors Lottery** is not just a fun & exciting way to win money but it helps support our centre as well as others around BC.

From the Front Desk

Your kindness and respect for their contributions towards our volunteers is always greatly appreciated.

The daily preparation of fresh sandwiches by our volunteers has been a longstanding highlight of our Seniors' Centre lunch service. Did you know that our volunteers produce up to 30 sandwiches daily, each customized to individual preferences? If your sandwich seems like it's taking a long time, it's likely because there's 10 sandwich orders ahead of your order. We're working as fast as we can and please remember that we are all

volunteers working as quickly as we can while functioning in a fast-paced, shared space environment.

Our volunteers prioritize quality and customer satisfaction. We do our best. We kindly request that you treat volunteers with the respect and gratitude they deserve. Should there be an issue with your sandwich, please bring it to our attention in a courteous manner.

To our dedicated volunteers, we extend our sincere gratitude for your tireless efforts and dedication to excellence.

Kathy Rae - Kitchen Liaison and Director.

Who You Help

Seniors' activity centres across British Columbia are lifelines for older adults. They are places where affordable meals, meaningful connection, and engaging programs help maintain health, independence, and joy. They receive minimal government funding. When you buy a ticket, you're directly supporting four predominantly volunteer run centres in Sechelt, Campbell River, Gibsons and Mackenzie. Your contribution helps ensure that seniors in these regions continue to have access to affordable nutritious food, social connection, and activities that enrich their daily lives.
